## Checking My Work in English Class

1. Using the wrong tense
  - Past tense/present tense
2. Subject-verb agreement
  - For example, the sentence “The people *is* coming to the game tomorrow” is incorrect. It should be, “The people *are* coming to the game tomorrow.”
3. Grammar mistakes
  - Its/it’s, their/there, than/then, your/you’re, etc.
4. Not answering the question/sticking to the prompt
  - Do you address the prompt you were given? Did you go off subject?
5. Punctuation
  - Commas, semicolons, etc.
6. Run-on Sentences
  - A run-on sentence could be when two or more independent clauses, or complete sentences, are joined without appropriate punctuation.
